Varsity Soccer

In the fall of 1951 an inexperienced Williamsport High School soccer team began its season. As usual, Coach Doub's squad soon was winning a majority of its games.

The team finished in third place in the Washington County Soccer League. Its overall record was 5 wins, 4 defeats, and 1 tie.

Williamsport closed the season with an upset victory over a highly rated Mercersburg Academy team, 1 - 0.

Varsity Basketball

Coaches Doub and Schultz fielded an inexperienced starting quintet composed of Pearman, Sword, Lowman, J. Byers, and Knode. The team got off to a bad start by losing its first five games. Because of fine teamwork and coaching it finished strong. The team play was the best in the school's history. The varsity won the Washington County Scholastic Title and reached the first round of the State B Tournament. The overall record of the team was 12 victories and 8 defeats.

Organizations

Student Council

The Student Council was organized in the early part of 1951, through student and faculty cooperation. The purpose is to teach the students the democratic form of government and give them practice in operating a school government utilizing democratic principles. Besides these purposes it has increased student faculty cooperation.

This council is composed of a boy and girl representative from each homeroom in senior high and one representative from each homeroom in junior high.

The important task for the council this year was having the constitution ratified and passed by the student body.

The Student Council is hoping to soon have a point system established and working. This system is one in which all students, other than just athletes, are eligible to earn a letter. We are hoping it works.

The Student Council sponsored a number of dances this year, too, and they were well supported by the entire student body. It has also taken care of seating arrangements for assemblies in the auditorium.

As senior members of the student body and student council we are wishing all of you underclassmen the best success in the future in your Student Council.

Third row, left to right: Benny McKee, Terry Taylor, Fred Downs, Gloria Coe, Harry Mentzer, Wanda Canfield,

This year, the operetta was given by the Williamsport High School Choir, a group of selected voices. Both the choral numbers and solos were outstanding.

The operetta was entitled "Cherryblossom." The setting was laid in Japan and was quite colorful along with the elaborate Japanese costumes.

"Cherryblossom" (Patsy Cline) believes she is Japanese but actually she is an American and when Worthington (Donald Drury), James Young (Fred Downs), Jessica (Janice Forsythe), Harry Jones (Larry Lowman), and Jack Smith (Charles Miles) all arrive on a yacht for a visit Jack falls in love with Cherryblossom and she plans to return to America with them much to Kokemo's (Joe Marsh) and Togo's (Roderick Wagner) disgust. Kokemo has reared Cherryblossom and hoped to marry her off to Togo, a very high Japanese politician.

It was a most outstanding cast with credit being given to Mrs. J. B. Heffner for her directing.

Jack Murray - That Joe Marsh will never set the world on fire.
Norman Pearman - That George Sword will never have to worry about being overweight.
Hilda Poffenberger - That Ruth Anderson will never stop talking about the movies.
Virginia Rhoton - That Dorothy Diebert will be married before April, 1953.
Louise Schetrompf - That Norma Dellinger will be eating donuts from now to hard to tell when!
John Swope - One-half of the boys of the class of "52" will be serving Uncle Sam in the Armed Forces.
Nancy Thomas - That Shirley Howell wil be traveling to rodeos with Paul Babington after graduation.
Vernon Trumpower - That John Swope will soon be a professor.

" WE REMINISCE"

The Senior Class of "52" turns back the hands of time to Sept. 7, 1948. That was the beginning of our great career. We knew we had a rugged path lying before us but we were prepared to face all problems that might cross it.

The Freshman year found us adjusting ourselves to high school life. It was easy for some and difficult for others. That year four new teachers joined the staff of W. H. S.

We will never forget Mr. Scott's science class. It was during that year we practiced sending Morse Code. We also had fun applying artificial respiration. This was very much needed after our struggle in algebra class, where we were trying to find the unknown quantity. Upon completing our Freshman year we had made our first step over that rugged path.

Sophomores! - How well the academic Students remember this year - the first year of Latin. How could they forget - "Labor omnia vincit." This is a phrase that was often quoted by their Latin teacher, Miss Hitchens. After completing the first semester, we had a vague idea of what to expect in second year Latin. Geometry was also a challenge to the academic students. This subject was supposed to teach us to reason logically.

By the end of the Sophomore year, the commercial students had completed a course in junior business and were now preparing themselves for further study in the secretarial field. The end of the Sophomore year brought us over the second step of the path that was lying before us.

The commercial students remember well the Junior year. This was the year they were introduced to typing and shorthand. What a time they had learning the keys on a typewriter! Oh!!! That first week of dictation.

While the commercial students were busy typing, the academics were busy with their experiments in chemistry. Look out! There goes another test tube!

Time passed quickly and before we knew it, we were planning for the greatest event of the year, the Junior - Senior Prom. What a time we had deciding upon an orchestra! But the prom turned out to be a huge success.

The Senior year was our most significant year of school. Many events took place that year. The most important one was the publishing of the Annual. We spent many hours getting the pages ready to meet our various deadlines. Another important event that took place was the Senior Play, "Aaron Slick From Punkin Crick."

We have enjoyed our four years of learning and we will always hold on to our memories - pleasant and otherwise. The Senior year brought us over the final path, but we still have an even greater one to cross - "The Path of Life."
